***Guidelines to fill the form:***

Title: indicate the title of your research project.

Background: please provide background information on the research project and its overall geo-energy context.

Purpose of the Grant: explain how the SASEG grant will be used and the specific value that this financial help will add to your research project.

Finance: indicate the total cost of the activity you are seeking financial help, indicating both your own and SASEG contribution. By 'own contribution' is intended funding provided either by your-self or other research grants

Financial justification: provides details supporting and justifying the financial request.
